NSERC must receive all nominations by November 15 before 8:00 p.m. (ET). If the deadline falls on a weekend or federal holiday, NSERC must receive your nomination before 8:00 pm (ET) the next working day.

Nominations must be submitted **electronically** using the [Innovative Collaborations and Science Promotion \(ICSP\) Secure Submission Site](#). Documents must be submitted as a single Portable Document Format (PDF) file.

The decisions of the NSERC Awards for Science Promotion Selection Committee are final. If no nomination is deemed suitable, no award will be made. Nominators must provide the nominee's written consent to their nomination, to the information mentioned therein, and, if selected for an NSERC Award for Science Promotion, to the release of their name and a brief description of their activities. Any additional disclosures will be made in consultation with the recipient. However, no claim may be made against NSERC as a result of such disclosures. The nominee's signature confirms their agreement to these terms. All submissions and supporting material become the property of NSERC and will not be returned.
